WEBINAR

Present your ideas

No one knows your area of expertise like you! Here's your chance to share your knowledge in an easy format. We take care of all the details, such as advertising, registering participants, reminding them to watch and providing the platform for you to share your subject matter.

Quickly

How long? Each webinar is a 60-minute virtual event consisting of one solo 45-50 minute presentation or two shared 20 -25 minute presentations or three 10 - 15 minute presentations followed by a Q&A session.

Do we get to practice? Of course, our staff will walk you through it before the event goes live.

We promote it

We'll lead the charge when it comes time to promote your webinar. We do this in four ways:

1) Magazine: The webinar will be promoted in one AD in the print publication prior to the event.

2) eNewsletter: The webinar will be advertised in four of our weekly eNews-

letters during the month prior to the event.

3) Website & Social: An AD will appear on our website for about two weeks before the event.

4) Emails: Multiple emails will be sent confirming registration and reminding participants to watch.
